This is ONLY a list of our cruise nights. The show/s we're planning in 2010 will have their own paper/s specifying what's what. As always, check out our website for more informative details on the monthly cruise to's (which are open to anyone, btw), shows, and whatever we think you all should know and of course you can call 267 275 1421, use the 'Contact Us' page on our site or email us at; [thebigbadwolf@lonewolf-freespirits.com](mailto:thebigbadwolf@lonewolf-freespirits.com), and we'll tell you what's up. The cruises marked in **GREEN** have become our monthly 'fun' cruise, weather permitting we'll all meet somewhere and then cruise in to where-ever we're going. The asterisk (\*) means that they're tentative and anyone interested in joining us should contact us to make sure that; 1. we're still going to the place listed, 2. what time and where we're meeting and 3. if the weather is 'iffy', whether we're going at all. The cruise in **ORANGE** is special and may need some special attention from you. Meaning that Pocono Raceway will not only be holding their NASCAR experience (for those of us who can drive a manual transmission) on that date but also their Team ProKart Racing program (don't know how to shift?? It's ok, these karts are AUTOMATIC!!). Both are completely open to the public and if you're interested in participating, you should contact 877 STOCKCAR (786-2522) to book it. **!!!NOTICE!!!** The LWCC makes **NO** promises about Pocono's agenda, this is what their calendar said at the time we put this schedule together. In order to know for sure, **YOU** need to contact them directly. If it rains on 10/16, well then we're outta luck. If we go to Pocono on 10/16 we won't go to Hawk Mountain on the 23rd, otherwise the cruises listed on those dates will stand, weather permitting, DUH!! And if you're on your way to a show one Sunday morning and we're on the way, why not stop over at the Bowmanstown R&G Club for a quick bite?? We'll be there, only on a MUCH smaller scale than our usual 1st Friday cruises, in other words, no dash plaques, door prizes or live music (though I suppose I could sing, naaa that's not a good idea).
